

*Its provocative design awakens just as much admiration from the ultra modern as criticism from the conservatives.*  
*The original composition of the lines, materials and forms play with established values and break with the traditional schemes.*  
*Designer multiple seating system.*  
*Ergonomically designed monoshell seat with high backrest, manufactured in high density polyurethane, available in colours from the chart in the general catalogue.*  
*Legs in polished and anodized foundry aluminium with a chromed steel structure. The structure can optionally come in stainless steel.*
