

Series of seats with cast aluminium frame, shiny polished finish.
 Varnished beech wood veneer monoshell seat.
 The seats may optionally be upholstered on the front side.
 Bench of 2 to 4 seats with option of linking modules to make longer rows of seats.
 Cast aluminium legs that combine polished surfaces.
 Optional 470 x 450 mm bench table finished in black textured varnish.
 Range of seats with sober and elegant lines based on the quality and excellence of the materials used: varnished beech wood seat and polished aluminium frame.
