

*Attractive design for a chair with and without armrests, with a polished aluminium frame and an upholstered or varnished wood seat, for the contract segment of offices and organisations that wish to bring outstanding style to their work spaces with their own design and personality. The curved and rounded forms of the frame stand out for their originality and beauty.*

*Series of stackable chairs with and without armrests with cast iron structure, shiny polished finish. Seat and backrest in varnished beech wood or upholstery in colours and fabrics from the chart.*
